

Natasha Burenina

Visual Artist

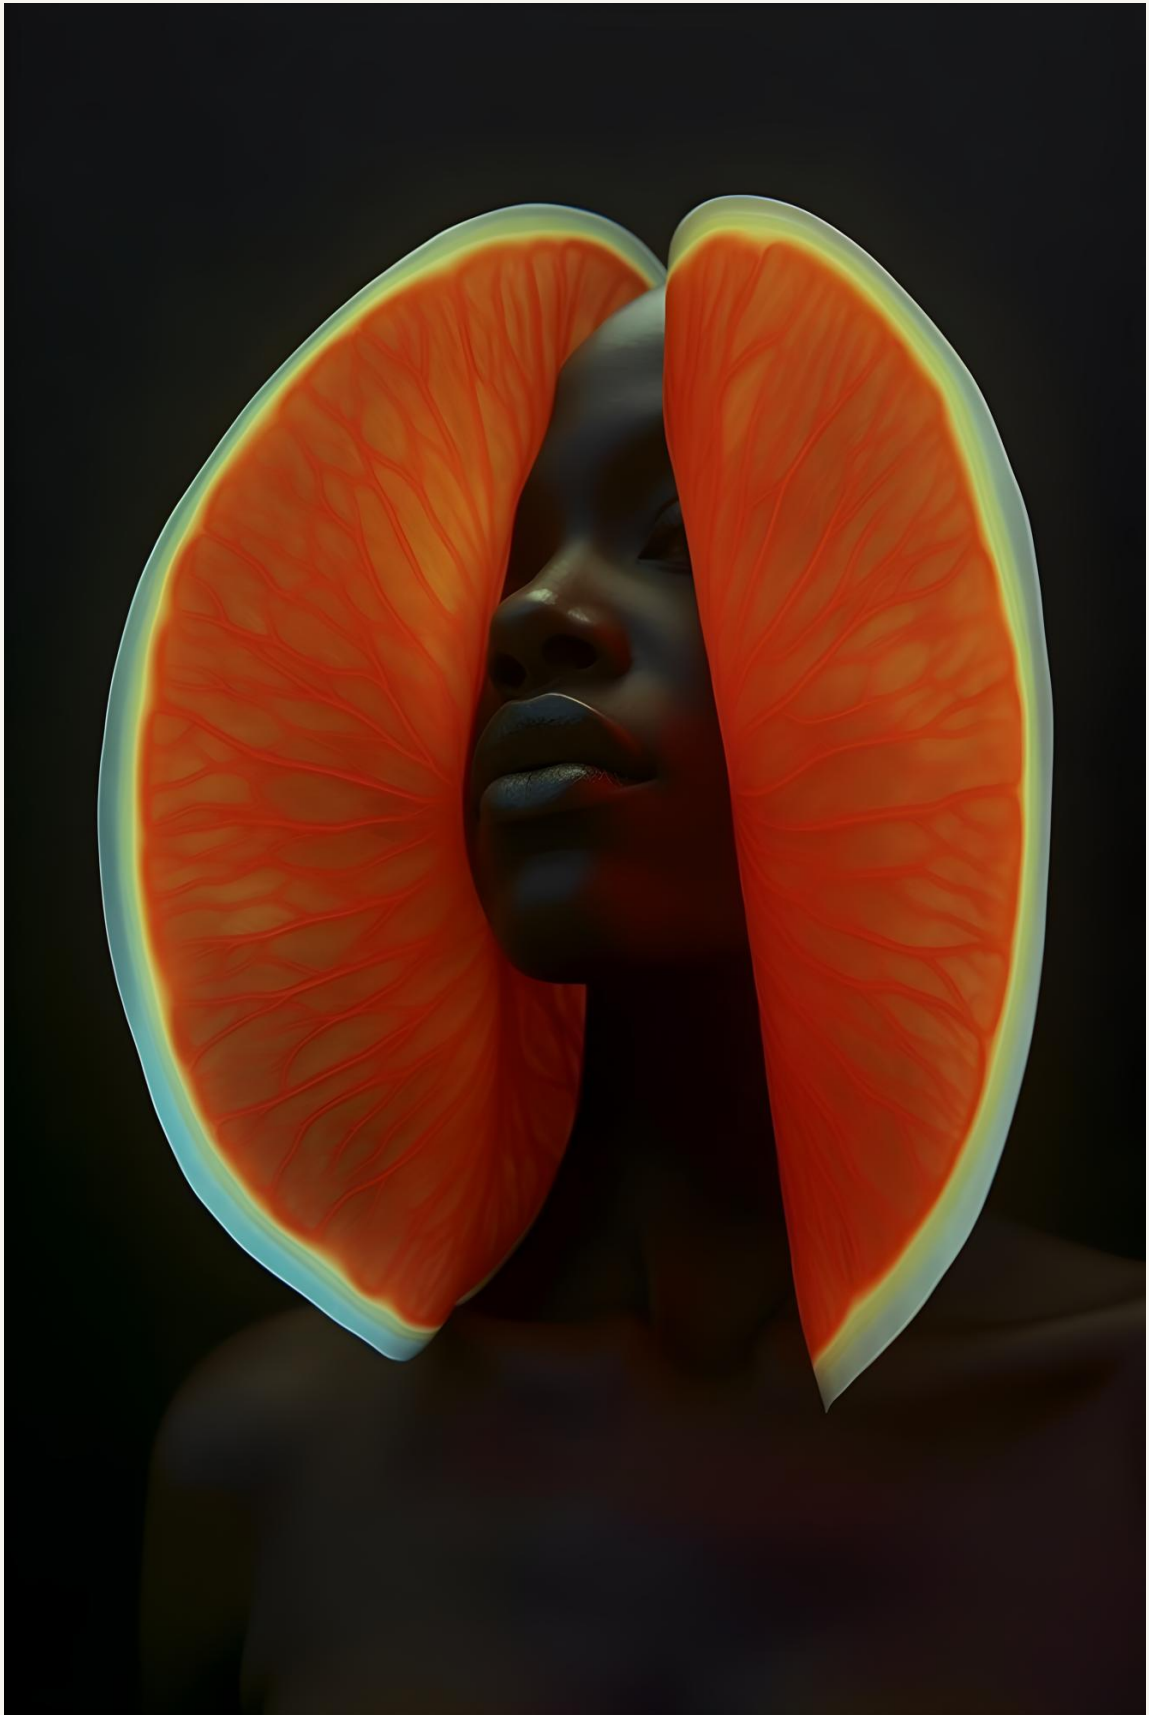

Selected Works

Licensing · Prints · Interiors

Bold colour, clear figures, a recurring world.

Natasha Burenina builds a recognizable visual language —
mythological animals, faces, and surfaces drawn from a world
that behaves like déjà vu. The work reads instantly on a wall
and rewards a second look.

Available as limited-edition giclée prints and for licensing.
Originals on canvas by commission. Sizes and editions on request.

Liminal Citrus
